Sunset Ridge Red Angus

Welcome to the Seventh Annual “Buy the BEEF Bull Sale”

We are very pleased to present our seventh JAS Red Angus Bull Sale. We are delighted to have Sunset Ridge Red Angus join us as guest consignors once again.

In an effort to provide you with the very best we select the top end for yearlings and two year olds. We hand select some great bulls to keep back for two year olds to provide you with an older bull that can cover more cows. We are very proud of the product on offer and you can have absolute confidence in it. The prices are on the rise in all aspects of the cattle market and the outlook continues to be positive.

High quality cattle are still commanding premiums, and now is a great time to invest in high quality bulls to put more pounds on your calves and more dollars in your pockets.

Please do not hesitate to call or stop in at any time to talk about the bulls and what we believe they can do for you.

Sincerely,

Doug, Jane, Jana and Jason McLaren
Nancy Howatt and Family

We know everyone leads full lives so if you can't make it for whatever reason, feel confident that the bull chosen will meet your expectations or we will take it back no questions asked. Please contact the consignors for more information.
